ONEIDA COUNTY'S HIGHWAY MAP

OFFICIAL HIGHWAY MAP
OF
ONEIDA COUNTY
SHOWING IN HEAVY LINES

Main "Highways that public interest demands the improvement of." Under Chapt. 315 Laws of 1898, as amended to date, about 348 miles.

Approved by the Board of Supervisors of Oneida County, the 28th day of November, 1908.

A. H. Vandewater, Clerk.

Light lines denote Highways.
Heavy lines denote Highways designated for improvement.
Broken lines denote Town Roads.
Wm. Plummer, Wm. Sup. of Highways
Clifford Lewis, Jr., Engineer.

This map was prepared under the direction of the Oneida County Board of Supervisors, according to instructions from the State Engineer's Department, and submitted to that department for use in making up a State road map. In the State road map for the county various changes from the county map were made. The Board of Supervisors will advocate at Albany the adoption of the plan shown by their own map for the highway development in Oneida County.
